Emb believes problem obtaining complete French cooperation info is one which shld, at least in first instance, be worked out on spot in Saigon by Leg, MAAG and attaches. Dept and Leg consider that there is French policy aspect of matter which prevents US Govt reps IC from obtaining complete picture, Emb cld be of assistance in taking matter up at high level in FONOFF here.

In this connection, it will be recalled that Emb took first step in late Nov 1950 not (rpt not) long before Leg's arrival in IC. In event it is considered desirable have Emb approach FONOFF here, it wld be helpful if Leg cld furnish Emb specific instances of French failure keep US Govt reps IC adequately informed.
